Ryke Meadows, meet Daisy Calloway...she's all grown up.

Twenty-five-year-old Ryke Meadows knows he's hard to love. With a billion-dollar inheritance, a track-star resume, and an alpha-male personality?he redefines the term likable asshole. But he's not living to make friends. Or enemies. He just wants to free climb three of the toughest mountains in Yosemite without drama or interruption.

And then he receives a distressed call from a girl in Paris?a girl that he has never been allowed to have.

Daisy Calloway is 18. Finally. With her newfound independence, she can say goodbye to her overbearing mother and continue her modeling career. Next stop, Paris. Fashion Week begins with a bang, and Daisy uncovers the ugly reality of the industry. She wants to prove to her family that she can live on her own, but when everything spirals out of control, she turns to Ryke to keep her secrets.

As Daisy struggles to make sense of this new world and her freedom, she pushes the limits and fearlessly rides the edge. Ryke knows there's deep hurt beneath every impulsive action. He must keep up with Daisy, and if he lets her go, her favorite motto?"live as if you'll die today"?may just come true.
