"What sort of individual is the prejudiced person?" "This book...(attempts)...to determine scientifically what distinctive personality traits characterize the phenomenon of prejudice." "The booke mobilizes the methods and skills of the different branches of the social sc iences in one common research program. Experts in the field of social theory and depth psychology, content analysisism, clinical psychology, political sociology and projective testing have pooled their methods and resources. Working in the closest cooperation, they here present a detailed picture of the authoritarian type of man."

As a student exactly feel bored to help reading. If their teacher requested them to go to the library in order to make summary for some e-book, they are complained. Just minor students that has reading's spirit or real their pastime. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that examining is not important, boring along with can't see colorful pictures on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this The Authoritarian Personality can make you sense more interested to read.
