## **Blue Diamond Journey: The Healing of a Reluctant Seer** Esther Supernault

Esther Supernault put her life on the line for her beliefs. In *Blue Diamond Journey*, she shares her secret gift of insight and guidance from the world of spirit. Born of a Celtic and Native American heritage of seers, she narrates how she received incredibly detailed, sometimes humorous messages from her dreams, visions, and meditations-messages that she then validated with solid medical research. Day by day she was guided to specific foods, helpers, therapists, doctors, and books to heal her breast cancer-without chemo or radiation. Every person is part of an interconnected web as vast as this universe, rather than a collection of parts. Our innate, inner soul contains incredible healing wisdoms. Real healing honours this web of interaction-far beyond scientific logic or fact. What causes an illness will also help heal it. All the answers we need to heal are within us, and Esther demonstrates how to listen to those answers. Her journey slowly uncovers a rare diamond in the rough-the dawning evolution of a seer, visionary, and wisdom keeper. With her gifted, gentle healing messages, Esther weaves a marvelous, magical, true tale in *Blue Diamond Journey*.
