Saint Padre Pio: In the Footsteps of Saint Francis Michael J. Ruzala, Wyatt North

In an age that smirks at the mention of miracles, sin, angels, and demons, St. Pio of Pietrelchina has emerged as a figure of immense popularity, attracting fascination, veneration, and also emulation. Padre Pio, who once wrote in a letter, "I am a mystery to myself," is certainly a mystery to all who know of him. To those who moved beyond mere credulity, he became an inspiration to embrace the fullness of faith. Perhaps that is why his shrine in outlying San Giovanni Rotondo, Italy, is second only to the Vatican itself in annual number of pilgrims and why Italian Catholics now report to praying more for St. Pio's intercession than for that of any other saint. This book is a concise introduction to Padre Pio's life, especially as compared to the example and journey of his spiritual father, St. Francis of Assisi. If St. Francis is said to be the most popular saint of all time, Franciscan Capuchin Padre Pio is perhaps the most popular saint of our times. Given that he passed only in 1968, it is remarkable to think that such a spiritual "superhero" could exist in our modern age. Through not spared from misfortune, he was spared those things that cloud us from perceiving the world in a truly spiritual way. Perhaps that is why Padre Pio offers us just the message we need to hear.
