Mike has lived his whole life in his quiet village on the mountain top. His village is secluded and peaceful. The only thing that makes his village different? It is full of creepers. The friendly creepers live away from the rest of the Over World and keep to themselves.

All that changes, however, when wither skeletons from the Nether start to attack Mike's village. The creepers decide they will have to go down and see the rest of the Over World to try to get some help.

Along the way, Mike and his group get split up in the perils of the jungle. When Mike runs into a human boy, David, he finds his first link to this world he doesn't know much about. The two of them must survive the jungle and learn about each other. As they work to escape the jungle, they learn that they might have more in common than they originally thought – David's village is attacked by wither skeletons as well.
