The Patriarch of Chan: The Life of Bodhidharma Wang Meizhi

In the sixth century, an Indian monk journeyed across the sea to China and changed the face of Buddhism forever. *The Patriarch of Chan* tells the life story of Bodhidharma, from his education as a youth in India to his travels in China where he denounces the actions of the emperor, spends years in meditative practice, and establishes the Chan lineage, a tradition of meditation masters that shapes Buddhism even today.

With the striking brushwork of Guo Haoyun and a heartfelt script by Wang Meizhi, *The Patriarch of Chan* is a stirring graphic novel biography of this important figure.
