The Riads of Marrakech Elan Fleisher

- Presents twelve of the most prestigious, original and striking Riads of Marrakech, each one illustrated with sumptuous photographs, capturing their beauty and exotic charm
- Superb book, printed to a high standard to show off the quality of the design and the rich flavor of Marrakech

Today's Marrakech is a thriving and trendy destination. Tourists are pouring into the city - Europeans, Americans and Australians thirsting for an exotic getaway. Five-star hotels (Raffles, Mandarin Oriental, Four Seasons) are currently under development in the sands around the city. The Medina, the central traditional core of Marrakech, is thriving like never before. Armies of artisans, handcrafters, architects and designers, concentrating on preserving the city's heritage, are contributing to a cultural renaissance that is reinventing the city.

The Riads of the Medina (the traditional guesthouses) epitomize this new creativity and have become as much of a Marrakech attraction as the Souks themselves. These Riads showcase what visitors find inspiring about Marrakech; an oasis of tranquility with refreshing dipping pools and luxury hammams; excellent kitchens serving gourmet couscous and tagines; courtyards of fountains and chirping birds; rooftop terraces offering private sunbathing with panoramic views of the snowy peaks of the Atlas mountains. The Riads in Marrakech are something between boutique design hotels and historic private preservation museums. Astonishingly, to date there exists no book that showcases the very best of the original Riads in Marrakech. There have been luxury hotel books and Moroccan Interior books, which include a traditional Riad or two amongst their volumes. This new book, *The Riads of Marrakech*, goes well beyond: for the first time, twelve of the very best of the Medina Riads have been thoroughly photographed, documented, compared and contrasted. Peppered between the Riad pages are photographic essays on the various facets of Marrakech life: sights, people, food, surroundings, and nightlife. In total, *The Riads of Marrakech* is not only a comprehensive study of these fascinating and luxuriously detailed residences but also a fine souvenir of the city itself, an irresistible reminder of this magical city.

From reader reviews:

Earl Hess:

Do you have favorite book? If you have, what is your favorite's book? Guide is very important thing for us to know everything in the world. Each publication has different aim as well as goal; it means that publication has different type. Some people sense enjoy to spend their time to read a book. They are reading whatever they consider because their hobby is actually reading a book. Why not the person who don't like looking at a book? Sometime, man or woman feel need book after they found difficult problem or even exercise. Well, probably you will require this The Riads of Marrakech.

Allen Goehring:

Often the book The Riads of Marrakech will bring one to the new experience of reading some sort of book. The author style to explain the idea is very unique. In case you try to find new book to learn, this book very acceptable to you. The book The Riads of Marrakech is much recommended to you to see. You can also get the e-book from the official web site, so you can easier to read the book.

Sharon Broome:

Many people spending their time period by playing outside together with friends, fun activity with family or just watching TV 24 hours a day. You can have new activity to spend your whole day by reading a book. Ugh, you think reading a book can actually hard because you have to accept the book everywhere? It fine you can have the e-book, bringing everywhere you want in your Mobile phone. Like The Riads of Marrakech which is having the e-book version. So , try out this book? Let's notice.

Betty Dunham:

On this era which is the greater man or woman or who has ability to do something more are more valuable than other. Do you want to become one among it? It is just simple strategy to have that. What you must do is just spending your time little but quite enough to have a look at some books. One of the books in the top collection in your reading list is usually The Riads of Marrakech. This book that is qualified as The Hungry Hills can get you closer in turning out to be precious person. By looking upwards and review this guide you can get many advantages.
