The Writer's Journal: Remembering the Details (Wisdom in Writing Series) Andy Sanders

Details, details, details! Writing a book and getting it published is a multifaceted process with countless things to remember. There are professional contacts to remember, technical details to keep track of, and personal information to file. There are lessons you learn-what not to do next time, what to do a little differently, what to definitely do again because it worked great. If you don't keep it all together in one place, chances are you will forget critical information about the publishing process. This author's journal was designed to be the perfect place to keep all your notes, data, and reflections on the process of writing and publishing your book. Once the book is done, this journal can be an invaluable resource for any future book projects that come down the road. Listen to that faithful bit of advice all your teachers gave you and write it down! Your success as an author could depend on it!
